Gather around the "bonfire" and be transported by the power of good stories. Wear warm clothing, bring blankets, chairs, and hot beverages. We'll reschedule in case of weather & post new date on our site.

11AM Chris Wiltshire of Flying Deer Nature Center and Lakeville Hose Company's Assistant Chief, Jason Wilson, will kick off the outdoor event guiding families on how to safely build, maintain, extinguish, and conduct oneself around fire.

12 PM Karen Sangaline Pillsworth, Storyteller Laureate of Kingston, NY will enchant us with stories from her *Basket Full of Stories* collection.

1PM Leslie Elias, award-winning storyteller, Cornwall native, artistic director of Grumbling Gryphons Traveling Children's Theater will kindle our imaginations in the lively telling of the animal trickster tale *Coyote Shares the Fire!*
