29 Lake Rd. West Cornwall, CT 06796

NOTE: COVID-19 protocols will be intact at all times. Based on our communication with the Connecticut Office of Early Childhood who oversees youth camps, we are following their guidelines:

A. We do not need a youth camp permit if we restrict camp to three hours and don't serve food. However, children should bring their own snacks and we will eat outside.

B. Social distancing and hand washing will be practiced during all camp activities. Upon entering the house, please have your children wash their hands in the front entry bathroom.

C. Based on the latest updates from the Connecticut Office of Early Childhood, it is unnecessary for children in groups of 14 and under to wear masks. Counselors are not required to wear masks when outdoors and six feet or more from the children.

D. Parents are required to take their child's temperature each morning prior to departing for camp. If anyone has a cough or fever, please notify us. If your child is not well, we ask that they stay home in order to prevent any spread. Each morning we will additionally have one of parents or counselors take your child's temperature with our contactless thermometer. If you have any further questions or concerns, don't hesitate to email or call us at 860-672-0286. [grumblinggryphons@gmail.com](mailto:grumblinggryphons@gmail.com)

Wek One was a great success! We are looking forward to another a **FUN, PLAYFUL** week of camp!

**Thank you and we are looking forward to Gryphon Camp Week Two 2020!**
